Gerald would like to do a short Artisan Show & Tell at moots—please let him know if you have something to share.

WWM report:

What can we do better next year?

We need a crash space coordinator; it was suggested that Mag Mor should be primary autocrat, since it is no longer a University site and autocrat must be paid SCA member; Keep could be auxiliary autocrat; generally ran well this year

Mullen, NE Contact Group—we have been contacted by 3 paid members in Mullen; we are their official sponsor and will take a group out to demo there—suggested dates: Mar. 7th or 14th; Natalya will contact to confirm date

Seraphima suggested possible site--the Fremont Angler's Club; she'll find out more about it
