

Moot—Oct. 11, 2009

Attendance: 18

**Baronage:** We invite all to come to Baronial A & S. Kids from Keep need rides. Scarlet Keep did a demo on campus.

Sashatec has made some progress toward using LPS facilities for moot/fighter practice. Possible sites include Rousseau Elementary, Northeast High School, or Park Middle School. Cost would be \$35/night, offset by having a monthly potluck supper to raise money (\$5.00 for dinner). We could have moot, then all interest groups, including fighting, could have activities on the same night. Insurance issues are being worked out.
