Discussion of WWM—what we could do better, what we want to happen next year:

Add exit numbers or something that travelers can see on the road signs to traveling directions—Hwy 6/Cornhusker is not listed on road signs.

Need towels for waterbearing/paper towels for spills  
Get it in the flyer that there is "no outside food to be sold"—but supplement the Royals' lunches to compensate for small selection

We would like to have the site until 6:00 pm—it was rushed to close at 5:00. Rooms for privy chambers.  
More help at curb for unloading at beginning of day.

Discussion of Queen's Prize and Clothiers' Seminar—  
Lots of fun, lots of learning, great events
