

RUNESTAFF

AS XXXV

MAY 2010

Welcome! The Barony of Mag Mor is the Lincoln, Nebraska branch of the Society for Creative Anachronism (SCA), an international non profit organization dedicated to recreating and researching pre-17th Century European history. Mag Mor is located in the Kingdom of Calontir, modernly Missouri, Iowa, Kansas, and part of Nebraska and Arkansas.

From the Seneschal

Thinking of you all fondly, I write this missive. May this letter find you in good health and ready to begin the outdoor season. A volunteer has stepped forward to be our interim Chronicler. Lady Etienne will admirably fulfill this position until a more permanent solution can be affected. We have a busy spring coming up with many events to attend, locally as well as farther a field in the kingdom. By the time this letter is delivered, our new fighting champion will have been chosen at the Calling of the Herd. I expect that we will leave that event with happy minds, full stomachs, and prideful hearts. I offer my congratulations to whoever is victorious in our tournament.

Lonely Tower is holding an "Unevent" in place of Spring Fling. It promises to be a fun and relaxed day, though our own Baron Sashatec has challenged our neighbors to a "Cooks' Challenge." There should be plenty of archery, fighting and fun, with a barbeque following the festivities.

Next will be the James Arthur Vineyard Ren Faire. This is a lot of work, but also our biggest single money maker for the year. Please contact Sashatec to volunteer your help. After JAV, we will hold a newcomer's revel, where we can speak more completely to those we meet at JAV. This revel in the park is a good recruitment tool and we need your support.

And, though it seems far too early to think of, the Lilies War will soon be here. Our own dear barony has volunteered to work a troll shift on Monday, from noon to midnight. If you will be at war, this is an easy way to pay your taxes and support the kingdom. Enjoy the battles, the classes, the parties, but take care to get enough water and rest and use sunblock (all right, my motherly tirade is over).

Have fun this spring. Go to lots of events – including our own – and enjoy the warm weather and company of friends. That is, after all, a great part of what our game is about.

Yours in Service

Natalya
