JUNE 2010

Welcome! The Barony of Mag Mor is the Lincoln, Nebraska branch of the Society for Creative Anachronism (SCA), an international non profit organization dedicated to recreating and researching pre-17th Century European history. Mag Mor is located in the Kingdom of Calontir, modernly Missouri, Iowa, Kansas, and part of Nebraska and Arkansas.

GREETINGS TO THE BELOVED POPULACE OF MAG MOR

from Catherine and Sashatec, Baroness and Baron:

Our hearts are indeed full. The pride that we feel for all of you is overwhelming. All of us are indeed special. In the past month we have held a wonderful local event, Herd Master in one of the most unique venues that our lands offer, Wyuka Cemetery. Our new champion, HE Callaghan was determined by tournament, we danced, we ate, we had Arts and Sciences created, we had fun. This site was so very ambient. We will use it again. Thanks go to everyone that pushed, pulled, and fought to stage this wonderful event.

Then we jumped into the James Arthur Vineyard Ren Fest. The hours of planning, the hours of preparation, the hours of set up and culminated on a sunny Saturday morning with gale force winds. It did not stop us. We persevered. We put on our finest garments, we girded our loins and we presented a magnificent showing of our hospitality and talent. We again proved that when we all combine our efforts, grand and glorious things happen. The owners of the site informed us that complements and rave reviews were far above those in past events. The emails and messages to us were many and glowing. The general consensus of these was: "We had a wonderful, educational and entertaining time. Our children will never forget it." Again, we are deeply indebted to our wonderful, gracious cousins to the east. Without help from The Lonely Tower, we could not have been nearly as successful. We thank them and offer whatever help they need for their upcoming demos.

And then Sabi Constance took three entries to The Kingdom Arts and Sciences Championship competition and came home the winner. Congratulations to you from each and every one of us. We fully understand the amount of effort and dedication it takes to not only complete the projects and documentation, but also to complete the judging process in a winning manner. We are so very proud of you.

Finally, Lilies is upon us. May your packs be full and light, your tents snug and shady, your garb cool and beautiful, and your schedule full of fun. It was our decision that we

would not do a party this year, so, sign up for classes, sign up for a couple of troll shifts and fight your hearts out.

Remember, talk up your love for the SCA and bring your friends, enemies and everybody you know to the Event for new people on June 6th. If we show them we are having fun, they will come.

In Service to the crown, and to all of you,

Sashatec and Catherine, Baron and Baroness of Mag Mor
